HELP SAVE THE TABERNACLE!!

It was almost one year ago that the Utah State Historical Society became involved in the struggle to save the Heber Tabernacle. Victory is in sight, for now directing the drive are dedicated persons having strong ties with Heber Valley. Furthermore, the Heber City Council has pledged its support as has the L.D.S. Church.

It is hoped that the old Tabernacle can be preserved to form the nucleus of a cultural center for Heber Valley. Restored to its original state, it can serve various functions - dramatic and musical presentations being only two types of entertainment which might be offered.

As a beginning, on June 23, at 8:30 p.m., prize-winning L.D.S., M.I.A. Road Shows will be presented in the Heber Tabernacle. These are the same shows which were given Friday and Saturday nights in Kingsbury Hall and Pioneer Memorial Theatre (University of Utah Campus) to sell-out audiences. They will be presented in Heber under the guidance of Stanley Russon, well-known Utah dramatist and M.I.A. General Board drama chairman.

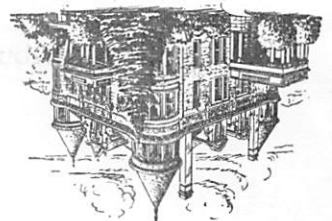

This is an event worth viewing, not only for the purpose of seeing high quality entertainment, but also to see the lovely old Tabernacle and aid in its preservation, for contributions to assist in the restoration of the building will be gratefully received during the course of the evening.

For those who want to contribute to the \$20,000 needed to preserve and restore the Tabernacle, but who will not be able to attend the June 23 dramatic presentations, their contribution can be made to "Save the Tabernacle Fund," c/o First Security Bank, Heber City, Utah.

The Society encourages your support of this preservation project. It is the first such struggle the Society has been engaged in. We hope to be successful in saving this lovely old Utah landmark. Please support us in our endeavors. The date: June 23, 8:30 p.m. The place: Heber Tabernacle, Heber City, Utah.

All contributions gratefully received.
